Mr. DODD introduced the following bill; which was read twice and referred to the Committee on

A BILL

To amend the Peace Corps Act to promote global acceptance of the principles of international peace and nonviolent coexistence among peoples of diverse cultures and systems of government, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Peace Corps Charter for the 21st Century Act”.

SEC. 2. FINDINGS.

Congress makes the following findings:
(1) The Peace Corps was established in 1961 to promote world peace and friendship through the service of American volunteers abroad.

(2) The Peace Corps has operated in 135 countries with 165,000 Peace Corps volunteers since its establishment.

(3) The Peace Corps has sought to fulfill three goals, as follows: to help people in developing nations meet basic needs, to promote understanding of America’s values and ideals abroad, and to promote an understanding of other peoples by Americans.

(4) After more than 40 years of operation, the Peace Corps remains the world’s premier international service organization dedicated to promoting grassroots development.

(5) The Peace Corps remains committed to sending well trained and well supported Peace Corps volunteers overseas to promote world peace, friendship, and grassroots development.

(6) The Peace Corps is an independent agency, and therefore no Peace Corps personnel or volunteers should have any relationship with any United States intelligence agency or be used to accomplish any other goal than the goals established by the Peace Corps Act.
(7) The Crisis Corps has been an effective tool in harnessing the skills and talents for returned Peace Corps volunteers and should be expanded to utilize to the maximum extent the pool of talent from the returned Peace Corps volunteer community.

(8) The Peace Corps is currently operating with an annual budget of $275,000,000 in 70 countries with 7,000 Peace Corps volunteers.

(9) There is deep misunderstanding and misinformation about Western values and ideals in many parts of the world, particularly those with substantial Muslim populations, and a greater Peace Corps presence in such places could foster greater understanding and tolerance of those countries.

(10) Congress has declared that the Peace Corps should be expanded to sponsor a minimum of 10,000 Peace Corps volunteers.

(11) President George W. Bush has called for the doubling of the number of Peace Corps volunteers in service in a fiscal year to 15,000 volunteers in service by fiscal year 2007 [2009?].

(12) Any expansion of the Peace Corps shall not jeopardize the quality of the Peace Corps volunteer experience, and therefore can only be accom-
plished by an appropriate increase in field and head-
quartes support staff.

(13) The Peace Corps should establish an office
of strategic planning to evaluate existing programs
and undertake long-term planning in order to facili-
tate the orderly expansion of the Peace Corps from
its current size to the stated objective of 15,000 vol-
unteers in the field by [fiscal year?] 2009.

(14) The Peace Corps would benefit from the
advice and council of a streamlined bipartisan Na-
tional Peace Corps Advisory Council composed of
distinguished returned Peace Corps volunteers.
